*Do you need a travel agent? Certainly not!*

*Of course, some of our best clients, today, thought the very same thing. You know yourself better than anyone else on the planet and you know what kind of travel experience you want. Our travel agents have partners and networking opportunities that span the globe. So, just imagine having access to a travel specialist who knows your travel preferences combined with their vast knowledge of the most current travel opportunities. Using a travel agent who truly knows you gives you the **BEST OF BOTH WORLDS!***

*Townsend, Toal & Taft, LLC is not in the business of selling cookie-cutter vacations. We may be a small travel agency, but we have a big travel network with access to the experience and knowledge of over 50 other travel agents within our affiliate group, Ticket to Travel.*

*We'll refer to all the information in your profile whenever we're planning a trip for you. We will also keep you informed about special offers, featured group travel opportunities and spectacular journeys that are offered to us and our affiliates throughout the year.*
